

# Subsidy Program for Children's Medical Expense

This program helps cover the medical expenses incurred by children. City of Funabashi provides 'Subsidy Certificate for Children's Medical Expense' to children who are eligible. Present both this certificate and Myna (My Number) health insurance card, etc. at a medical institution in Chiba prefecture. The amount to be paid individually will be settled and you only have to pay your part (300 yen or free of charge).

## ◆ Subsidy Program

Eligible children are those who registered in Funabashi and join the Japanese health insurance plan. This program subsidizes only the expenses covered by the Japanese health insurance.

Please note that the application is valid only for 2 years after the day subsequent to your payment at the hospital.
