Sodai-Gomi Uketsuke Center  
(Large Refuse Collection Center)  
Tel.047-457-4153 FAX047-457-4221

Hours: Monday through Friday (Closed on National Holidays) 9:00 a.m. - 4:00 p.m.  
Up to 5 items can be picked up at a time.  
A second collection can only take place after a minimum of 7 days.

※Please note that lines are busy on Monday and day after a holiday.

There are 2 types of large refuse: 1) Burnable large refuse with a side longer than 50 cm, 2) Unburnable large refuse which cannot be put into the unburnable garbage bag (20L).

### Items

●When an item can be put into the unburnable garbage bag (20L), you can discard it as unburnable garbage. (Except heavy items)  
※Please confirm collectable items and disposal fee to the Large Refuse Collection Center.

### 【Disposal fee for Large Refuse】

●Disposal fee varies depending on the item and there are 4 pay steps: 370 yen, 740 yen, 1110 yen and 1480 yen. Purchase the required number of 370-yen the large-sized waste stickers according to the item.  
●Cash only. You cannot get a refund on the large-sized waste sticker.

●Stick the large-sized waste sticker on the item firmly and noticeably.

●When you carry in large refuse to Incineration Center by yourself, you need to pay disposal fee by cash. (You cannot pay fees by the large-sized waste stickers.)

●Families receiving public assistance are exempt from disposal fee for large refuse.

(Ask details to the Large Refuse Collection Center.)

### Collecting procedure

①Please make an application by telephone to the Sodai-Gomi Uketsuke Center (Large Refuse Collection Center). Staff will explain fee, the collection date and the site for large refuse.

②Purchase a large refuse processing sticker at stores such as convenience stores. (by cash only)

③Fill in the appointed date of collection and your name on a sticker and then stick it to large garbage

Be sure to take it out to the designated site by 8:30 a.m. on the collection day.

④The garbage truck picks it up.

(Your presence is not required.)  
※We do not enter the house to pick up the large trash.  
※Large-size refuse is collected even on the rainy days.)

●Supportive service for elderly and disable people

■Staffs help to bring out large refuse from inside

the house when handling of garbage is difficult for the elderly (over 65) or the disabled household.

### Items

- Securely tie to seal designated garbage bags.
- Kitchen garbage(leftover food, shell, etc.)
- Waste paper ●Soft toys/Cushions (Large size items should be cut into pieces.)

- Be sure to empty spray cans and gas cartridges completely and then dispose of them without making holes in them.
- Metals (Crocks/Kettles/Frying pans) ,Enameled Wares)
- Caps of bottles (made from metal)
- Wire hangers

### Notes

- Do not put any plastic bags etc. into the garbage bags.
- Please rinse bottles with water after removing the contents.
- Broken bottles, plate glasses, and heat-resistant glasses should be taken out as non-burnable garbage.
- Needles and safety razors should be taken out as non-burnable garbage after wrapping them in thick paper or with packing tape.
- Bottles of manicure should be taken out as unburnable garbage.
- Do not crush empty cans before disposing of them.

### Dispose of PET bottles in the mesh garbage bag.

- For beverage
- For alcoholic drinks
- For soy sauce
- For vinegar etc.

Be sure to remove label, caps and lids.

### How to take out PET bottles for disposal

1. Remove labels and caps.
2. Rinse bottles with water after removing the contents.
3. Crush them (as small as possible)
4. Dispose of PET bottles in the mesh garbage bag.

### Notes

- Removed labels, caps and containers of cooking oil, detergent, bottle top dispensers should be taken out as burnable garbage. (You can also bring caps to the collection organization or the retail stores as an alternative.)
- Put PET bottles only into the mesh garbage bag. Do not put plastic bags etc.
- Please do not crush PET bottles at the collection site.
- Plastics other than plastic bottles are burnable garbage.

Bundle old papers according to items listed below and leave them at the collection site. Please use garbage bags for collection of old clothes and blankets.

### Items

- Newspapers (including inserted leaflets)
- Magazines (including an item whose pages bound together such as notebooks and books)
- Please put other paper products (snack and food boxes, postcards, envelopes, tissue boxes, etc.) in a paper bag and bind it with string.
- Cardboard (the corrugated cardboard)
- Milk cartons (except those coated with aluminum film)
- Used clothes (anything to wear)/ Kimonos (except an Obi (a board sash))
- Blanket (You cannot dispose of wadded clothes, cotton blankets, bath towels, curtains and carpets.)

### Notes

- Old clothes and blankets are not collected by the City if it rains because it may be damaged by mold.
- Garbage with value other than used clothes and blankets are collected even on the rainy days, however, please dispose of them on sunny days if possible.
- Please rinse used milk cartons and cut open, then bundle them.
- Items with metal fittings (binders, catalogs, etc.) and plastic coated items are burnable garbage.
- Stapled paper can be taken out as it is.
- If the opening of the carton is plastic, remove the plastic opening and dispose of the carton as a recyclable item with value. Dispose of the removed plastic opening as burnable garbage. (If the carton is aluminum-coated, dispose of it as burnable garbage.)
