"When I was looking for a place to move to in order to build my own house, the first place I visited was Funabashi. It was close to Tokyo and the atmosphere of the town was nice, so I decided to go there immediately. "After living here for over a year, I think it was the right decision," says Maezawa with a smile.

75

He worked at the forefront of the advertising industry until he was 19, and was involved in the exhibition of two pavilions at the Osaka Expo in 1970. After retiring, he began to
