Choose the message category/ language and conduct user registration.

Choose the category and language, enter the registration information, and click on the [To confirmation screen] button.

The screenshot shows two stages of the registration process. On the left, the '登録情報入力' (Registration Information Input) screen has a '配信カテゴリ選択' (Message Category Selection) section with four checkboxes: '新型コロナウイルス感染症関連情報', 'ふなばし災害情報', '各気象警報', and '津波注意報'. A blue callout bubble points to these checkboxes with the text 'Check the boxes for the categories for which you want to sign up.' On the right, the same screen shows the 'メールアドレス' (Email Address) field with 'xxxxx@xxxx.xx.xx', the '希望言語' (Preferred Language) dropdown set to '日本語', and a '確認画面へ' (To Confirmation Screen) button highlighted with a red box. A second blue callout bubble points to this button with the text 'Enter and check the registration information and click on the [To confirmation screen] button.'

5

Check the content of your entries and then register them.

After checking the content of your entries, click on the “Register” button. Your registration is complete when the “Registration Complete” screen is displayed.

The screenshot shows two stages of the registration process. On the left, the '登録情報確認' (Registration Information Confirmation) screen displays the '配信カテゴリ' (Message Category) as '◎重要情報(※必須登録)' and the '登録情報' (Registration Information) including the email address 'xxxxx@xxxx.xx.xx'. A red box highlights the '登録' (Register) button. On the right, the '登録完了' (Registration Complete) screen displays the message 'ご登録ありがとうございました。' (Thank you for your registration.). A red callout bubble points from the '登録' button to the '登録完了' screen with the text 'You will receive a "Registration Complete" email after registration.'
